

AFFECTED BY THE MOON (by *Chuck Pyle*)

Tribute to my late friend, Chuck Pyle

Gypsy guitar. Violins play.
Cafe bar, Champs Elysees
Music's hot. Tempo's up.
Ready or not, fallin' in love

*Far from the frantic pace of life so tout de suite
This out of the way place carries you and me
To romantic consequences, coming to our senses
Not a moment too soon
So very affected by the moon*

Dancing hip to hip. Oh, s'il vous plait
Beautiful lips sip cabernet
And what is this, if not time out of time?
A stolen kiss. The perfect crime
