

HAND ME DOWN

Lyrics and music © Jack Williams

There is no Big Rock Candy Mountain
Or golden streets for such as we.
Cards were dealt, I came up empty...
Hand me down easy, if you please.

Old soldiers fallen by the roadside,
Fallen prey to gravity;
Heroes willingly forgotten...
Hand me down easy if you please.

CHORUS Let me lie where I fall,
With my back to the wall.
Close your eyes,
Walk on by,
Go in peace,
And hand me down easy
If you please.

Along the outskirts of the city
Spirits walk down on their knees.
Is there a secret to belonging?
Hand me down easy if you please.

Come here and tell me that you love me.
Lift my head up off my knees.
I am no one if not your brother...
Hand me down easy if you please.

CHORUS

There is a hotel in Miami...
The rooms are cooled by ocean breeze.
I had a lover once who waited for me...
Oh, hand me down easy if you please.
