

SOLITAIRE *Lyrics and music © Jack Williams*

You broke a promise
And left me alone.
This was the house of love
Now nobody's home.
I've worked my heart
Right down to the bone,
Playing solitaire.

I've got this notion
She's gone for keeps.
My heart keeps breaking
While my body sleeps.
It gets so lonesome
Between the sheets,
Playing solitaire.

CHORUS

Solitaire... I cheat now and then.
Solitaire... But I never win.
I'm goin' slightly crazy
But I don't care
I'm playin' solitaire.

I've got no aces
And I've got no queens;
I get my kicks from
Poker machines.
She's comin' back....
No, it's only a dream.
I'm playin' solitaire.

CHORUS (Replace "I'm goin' slightly crazy" with "I'm goin' soft and lazy".)
