

SUDDENLY THE TIDE *Lyrics and music © Jack Williams*

I know it's comin',  
It seems like you got somethin' to say.  
I hear the thunder,  
I guess it's gonna rain all day.  
Weren't we laughin',  
Watchin' funny people in the street,  
Makin' up their life stories,  
Givin' them names,  
Laughin' at the shoes,  
Laughin' at the shoes upon their feet.

CHORUS

Suddenly the tide, Suddenly the tide,  
Suddenly the tide washes over me,  
Washes over me, Washes over me.

Wasn't it silly  
Dancin' through the crowds along the shore,  
Singin' at the top of our lungs,  
Stupid words of love,  
Feelin' like the waves,  
Feelin' like we never felt before.

The town is talkin',  
It's bound to make some fella start to cry.  
Those busy, busy bodies,  
Hurtin' all their friends and tellin' lies,  
Lies, lies, lies, lies.  
Somethin' is movin',  
Shiftin' like the sand below my shoes.  
What about...what about all the other people,  
Friends and relations,  
Breakin' them the news...  
Breakin' like the waves upon my shoes.  
Upon my brand new shoes...  
Upon my brand new Wing-Tip shoes.

Am I the last one to know?  
Am I the last one to know?  
Were they just waitin' and waitin' and waitin' and waitin'  
For that salty wind to blow?

They say for every boy and girl  
There's just one love in this whole world.
